Description:

The Harry Potter video games are a series of video games based on the Harry Potter franchise originally created by J.K.

Rowling. They are published by Electronic Arts and Warner Bros. Interactive

Entertainment. Many of the Harry Potter

inspired video games are tie-ins to the

novels and films of the same name. The

main series features a video game for every novel, as well as two for the finale.

There are multiple distinct versions for individual games. After the success of the

initial games, Warner Bros. Interactive

created the publishing label Portkey

Games and expanded the series to include

a pair of Lego video games. The series is

known for its use of augmented reality
